all other buyers outside of CANADA the payment is in US funds. A  
kitten will only be put on hold for a buyer after a deposit is given NO  
EXCEPTIONS. DEPOSITS and all payments can be made through

PAYPAL or if your a CANADIAN through online money transfer. Another thing a buyer must remember is the shipping cost are not included in the sale price of a baby and must be added to the sale price. These cost include Air Fare cost, Carrier, and INTERNATIONAL HEALTH CERTIFICATE costs if the baby is traveling outside of CANADA. There fore the Purchaser can see the shipping cost is not a fixed amount and the buyer must inquire with the Vendor on the shipping cost. Between the US and CANADA usually \$350 US FUNDS. The Vendor and Purchaser both acknowledge and agree that the Cat/Kitten is being purchased as;

**PET**\_\_\_\_\_ **BREEDER**\_\_\_\_\_

**BREEDER/SHOW**\_\_\_\_\_

Is the Purchaser is; **CANADIAN**\_\_\_\_\_ **AMERICAN**\_\_\_\_\_

**OTHER**\_\_\_\_\_

Buyers will also be aware that all deposits are taken to hold a kitten or cat for them, and that baby is then removed from sale losing other possible homes for that baby, if that buyer has changed their mind. There for all deposits are nonrefundable never. If the sale is at the point of being complete all sales are final and there is no cash refund. Another baby may be picked but of the same class. Also a buyer must understand that Air Canada can place embargoes for extreme heat or cold at any time of the year and this is out of our control. A buyer must understand that Air Canada does this in times that the weather is extreme and may cause death, it is for the protection of our babies. If your worried about an embargo due to extreme heat or cold you can call Air Canada and ask them at;; 800-387-4865 about any possible embargoes, causing short delays in delivery.

The Vendor agrees to register the litter with either or both the CFA or CCA in most cases it is CFA but we will register CCA if requested for CANADIANS. Purchaser may then register this baby individually with its chosen name, at their own expense. The Vendor agrees to place the cat/kitten [at no cost] except the shipping cost, should it die within a period of one year from the time of purchase. Due to a proven hereditary condition [to be verified in writing by a certified veterinarian]. This replacement shall consist of the Purchaser's pick of the same class of kitten purchased out of the next litter. Classes refer to PET, BREEDER, and BREEDER/SHOW.. \*\*\*\*\*We do not give a cash refund ever for any reason only another kitten replacement of the same class. \*\*\*\*Once a baby leaves DREAMZ we will not take that kitten back

it will be the buyer's responsibility to find a new proper home for that baby. Also for any reason if a buyer can not take the delivery of their baby once the shipping date has been made, they may be charged addition funds for care and up keep of their baby. This is only in the case were the Vendor can not take delivery for such reason as they are on a trip or not enough funds at the time of delivery. The Vendor and Purchaser will come to an agreement in such cases.

If a baby is bought as a breeder or breeder/show and that cat does produce a litter, we will replace such cat the cost again for shipping is the purchaser. However in saying this most of our line matures very late so we will not consider this on a cat younger than 3 years. One of our top boys just started breeding at 2 and a half years.

Also any purchaser of any cat or kitten from DREAMZ will agree that this baby will receive proper food, water, housing, medical attention, and fore without saying the best love, and care. Also no cat or kitten from DREAMZ will have free run of the out doors due to the great risk to their well being.

**I the Purchaser have read and understand the contents of the above Agreement, and agree to abide by the compositions contained therein.**
